

DO YOU ENJOY HELPING OTHERS?

Do you have a heart willing to enhance the lives of *Vulnerable Adults* in Nursing Homes and Assisted Living Centers in your community?

WOULD YOU SHARE AN HOUR PER WEEK TO VOLUNTEER?

If you answered yes to these questions, the East Tennessee Long-Term Care Ombudsman Program may be for you. The Ombudsman program trains and certifies volunteers throughout East TN to advocate for residents in long-term care (*Nursing Homes, Assisted Living Centers, and Residential Homes for the Aged*). This advocacy is achieved through weekly visits to your assigned facility, investigation of complaints, and resolution of issues affecting residents.

TRAINING PROVIDED

For those interested, we are beginning a new training class for volunteers August 23 and 24, 2016. Breakfast and Lunch are included.

Contact Lynette Edwards, District Ombudsman, at #691-2551 ext. 4223 for more information.
