

**Attachment B: Conflict of Interest Form**

By submitting a proposal, the authorized signatory authority of the bidding entity certifies to his/her knowledge and belief that there is no conflict of interest (real or apparent) inherent in the bid or in delivering the scope of work if the ETLWB awards a contract. A conflict of interest would arise if any individual involved in the preparation of this proposal and delivery of services has a financial or other interest or would be likely to gain financially or personally from the award of a contract. The same would hold true for any member of the individual’s family, partner, or an organization employing or about to employ any of the above as a direct result of the successful award of a contract under the RFP. The ETLWB reserves the right to disqualify a bidding entity should a conflict of interest be discovered during the solicitation process.
