Have you ever wondered why Hospice and Palliative Care services are important?

Do you know when Hospice and Palliative Care are needed and appropriate?

Plan to join Dr. Wooten for this essential presentation as he shares his expertise, and answers the important questions of 'why', 'what', 'when' and 'where' these services are important.

About the Speaker:

Dr. Wooten is the Medical Director of the Hospice and Palliative Care Program at Covenant Health. He has directed hospice and palliative care programs for more than 20 years. Dr. Wooten is a graduate of the University of Tennessee, UT College of Medicine, and a fellow of the American College of Physicians. He has also practiced internal medicine locally for more than 30 years.
